

1. Mounting fork MOUNT-SLU-80/200 and MOUNT-SLU-80/500

The mounting forks of type **MOUNT-SLU-80/200** and **MOUNT-SLU-80/500** are used especially for the **SPECTRO-3-SLU-DIF-JR** in connection with the **SLU-16-DIF**, the **SPECTRO-3-SLU-FCL-JR** in connection with the **SLU-16-FCL** and the **SPECTRO-3-SLU-UV-JR** in connection with the **SLU-16-UV**. Amongst others, the units will be used for the detection of coatings on glass plates in the through beam way.
